**A Registry Specialist:**

- Has a specific area of expertise that benefits the early care and education community.
- Is a trainer that can offer Tiered training appropriate to their content expertise even though they do not meet the requirements as an approved Tiered Trainer.
- Does not require a specific level on the Registry’s Career Level.
- Uses the Registry Professional Development Approval System for their **own** course and event entry, the same as an approved Registry Trainer.

**There are 3 types of Specialists subject to Registry review.**

**Specialist 1 – National Training Organization** – Trainer vetted by sponsoring organization

**Specialist 2 - Wisconsin Specialist** - Expertise *in* the field of early care and education *specific to Wisconsin standards and training* (examples: higher education faculty, DCF, DPI, social work, maternal/child/mental health, public health, etc.)

**Specialist 3 - Content Specialist** – Expertise *outside* of field of early care and education such as safety, finances, CPR, etc.
